

Request for Yarn Shop to Carry KRW Knitwear Studio Patterns

Dear _____ :

I am writing to you today in hopes you would consider stocking patterns from KRW Knitwear Studio in your shop. They have a variety of patterns to suit every knitter and crocheters' tastes and skill levels.

Each pattern provides generic yarn information to help you sell whichever yarns you have in your shop. The patterns are well written and tested and your customers can quickly find all the materials needed right from the front of the pattern. All patterns are printed on 100% recycled paper and protected with a heavy duty plastic protector.

You can see the entire pattern line at www.KRWKnitwear.com and place your wholesale order directly online.

The specific pattern(s) I'm interested in are: _____
